**SHARING FAITH
IN A BUSINESS ENVIRONMENT**

A MESSAGE FROM THE FOUNDER:

The Catholic Business Exchange was established in 2004 to provide opportunities for Catholic men and women to share their common faith and business interests.

Every month during our breakfast and Mass gatherings, dynamic, high-profile speakers share both their business and faith journeys. Evening gatherings and other special events round out the calendar and enable this organization to be a consistent provider of both faith sharing and business networking.

I invite you to join me in membership and share the benefits outlined in this brochure. Thank you for your consideration.

Best regards,

Jim Liston
Founder

COMBINING THE BEST OF BUSINESS AND FAITH

Catholic Business Exchange has been bringing practicing Catholic men and women together in Indianapolis on a monthly basis since September, 2004. The combination of Mass, business networking, sharing of meals and enjoying the remarks of high profile speakers has been well received. At any given meeting there are at least 20 parishes represented.

To build on the success of the past four years, we are now a membership organization. With membership come privileges. Here are a few:

ON LINE MEMBERSHIP DIRECTORY

You will be able to connect with other members through an individual page in the online member directory. Each member can include basic business information (phone number, email, and website) along with a profile about their business and other interests, both professional and personal. In addition, your picture can be included with your profile. For an additional fee, members can include a short video describing their business.

EXPERIENCE COMMUNITY

Each month you can get to know others in your Catholic community. By attending Mass together, networking to learn more about one another, enjoying a meal and a great faith-based business message, we are committed to helping our members along their faith journey.

“The interaction with others based on a commonality of faith is a refreshing approach to the typical networking events I usually attend.”

— Ann Connell, Our Lady of Mount Carmel

CATHOLIC EVENT UPDATES

We will keep you up to date on all Catholic events and happenings in the area including parish festivals, other meetings, social functions, current news from the archdiocese, etc.

DISCOUNTED RATES FOR EVENTS

As a member you will enjoy reduced rates to attend our monthly breakfast meetings, luncheons, holiday parties, and after hours business events.

ADVERTISING

Another benefit of membership will be the ability to advertise your products or services to other members. These opportunities include ads on the website, hole sponsorships at the annual golf outing and more.

HOTLINE

Can't remember someone you met at a meeting? Want to connect with other members in specific business sectors? Need help with a business strategy? The Catholic Business Exchange hotline can provide these services and more.

“Having the opportunity to combine faith with business is a winning formula; I am always amazed at the quality individuals I meet.”

— Barbara Jones, St. Joan of Arc

“Catholic Business Exchange gets my weekend off to a great start. With Mass, fellowship, and great speakers, the events are like mini retreats that recharge my Catholic batteries.”

— Mike Farrell, St. Maria Goretti
