

State Representative Ed DeLaney will address the February Catholic Business Exchange. Representative DeLaney, who narrowly escaped being murdered in October, will speak on the subject: *Faith and a Brush with Death*.

Representative DeLaney was beaten and held at gunpoint, receiving five broken ribs and broken bones in his face. His life was spared because the attacker's gun jammed. In addition to representing Indiana's 86th District, he has represented the Federation of Bosnia and Herzegovina in an arbitration hearing under the Dayton Peace Accord and was an election monitor for the International Republican Institute in Russia. His experience has been recognized by the *Best Lawyers in America* and the *Indiana Super Lawyers*.
